

**THE 2018  
SANTEC CLEAN NEEDS  
CATALOG**

**CLEAN NEEDS. MET.™**

$$100_{\text{people}} \times 2,000_{\text{hr/yr}} \times 10_{\text{yrs}} =$$

# 2 MILLION HOURS

It's only an approximation (but certainly accurate to the order of magnitude) of the amount of time dedicated to bringing you the amazing products inside this catalog. Of course we've used the finest chemists to actually formulate these products, but the process we use to create the *right* products is an ongoing part of everyone's role at Santec.

It all comes down to identifying **CLEAN NEEDS**, and this is best done when knowledge and experience are freely shared by all. From the start, we have believed in listening to what our people have to say and it is safe to say that all our products have been shaped if not invented by this belief.

And so, we present you with the *2018 Santec Clean Needs Catalog*. We are pretty sure you will find all the products you need right here. But in case you don't, just let any one of us know what you need and we'll add it to the catalog.

ALL SANTEC PRODUCTS ARE CERTIFIED KOSHER  
AND MADE IN THE USA

# green cove

# Santec Green Cove™ Certified

How important is a “certification” when it is established by the same company that makes the product? Is it even possible to be self-certified?

A resounding yes to both questions! In fact, our **Green Cove Certification** is so much more than some generic standard to be met, it is our promise of the highest level of quality and an integration of this high standard as a key feature of our products’ formulations.

We have always sought to make products that are safe for the environment, the people who use them, and the people who live and work in the spaces they are used. There are numerous agencies that have created standards to define various levels of safety and we have studied them all carefully.

More often than not, simply meeting one or more of these standards still left plenty of room to make a product that is even safer and cleaner than the standards require. **Green Cove** is our commitment to meet this higher standard.

## ENVIRONMENT

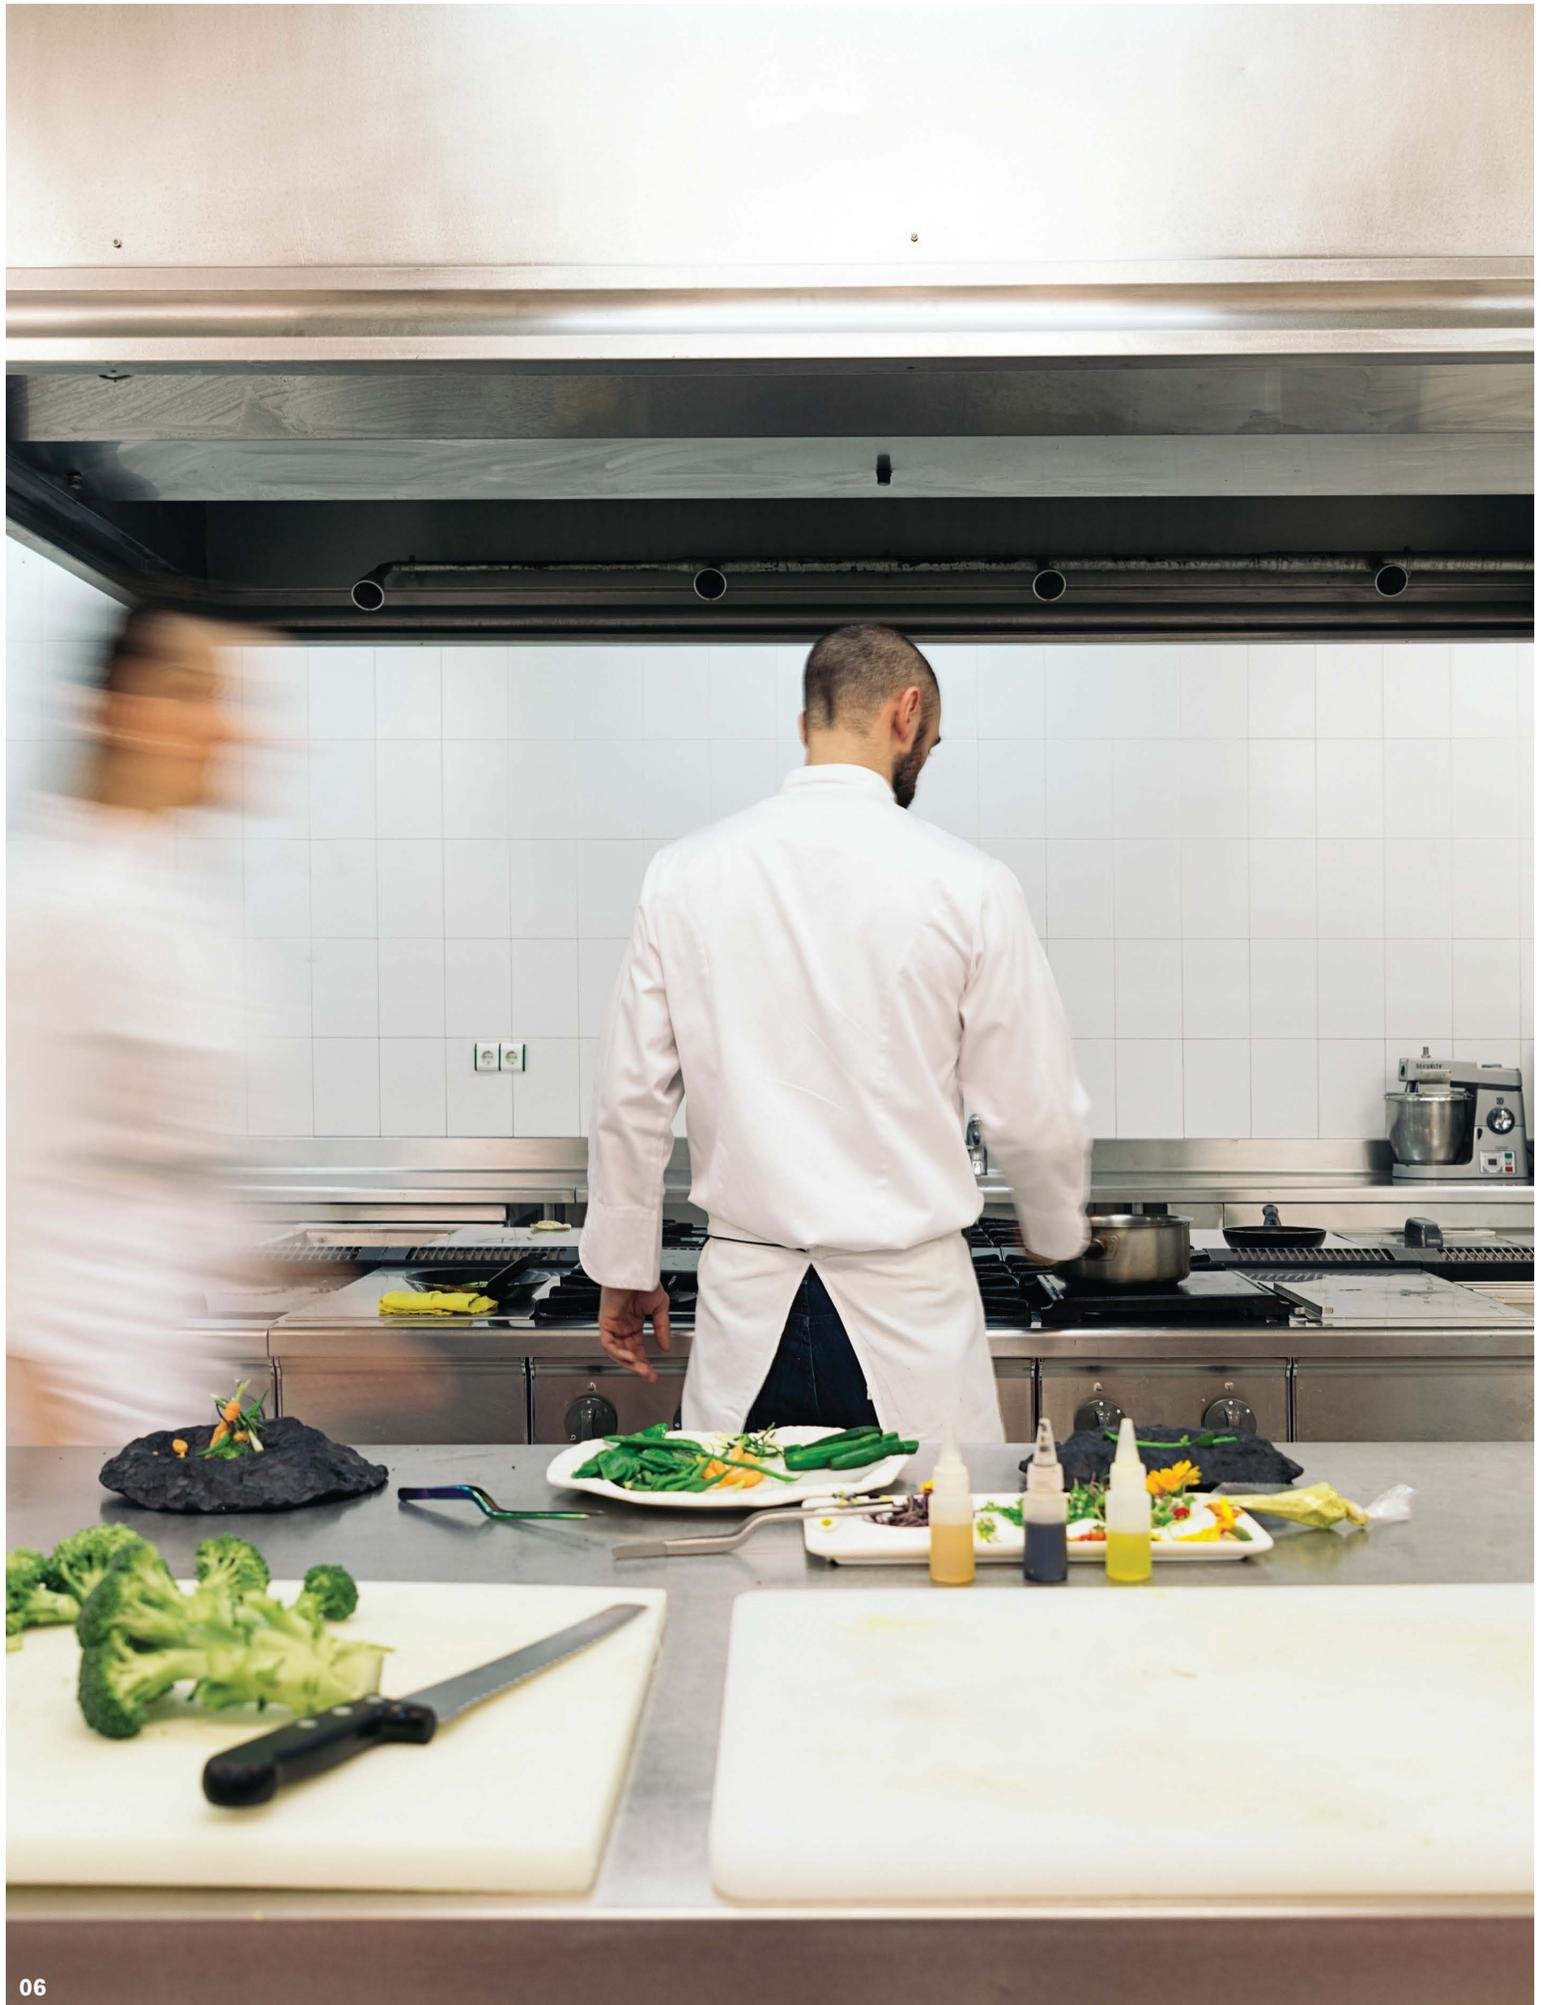

**Green Cove Certified** products are safe for the environment both in the space they are used and beyond. They do not harm water supplies or the pipes that feed them, they do not harm the land, soil or vegetation and they do not pose any threat to the air from here on the ground up to the outer reaches of the stratosphere.

## HEALTH & SAFETY

For those who use **Green Cove Certified** products as instructed there is little risk to their skin, respiratory, vision or internal health. And while our products definitely do not taste good, there is no need to worry about accidental splashes causing any harm.

We created **Green Cove** as a way to set ourselves apart. Green Cove combines all the standards for safety, health, and the environment into one certification. For our products to earn the Green Cove label they must clear a very high bar indeed. And they must do this without compromising efficacy or efficiency.

*Although we have significantly extended **Green Cove** certification to a large number of products over the years, we still have products without this certification. This is because there are still many clean needs in need of solutions that simply can't meet those standards and still be effective. But our commitment to safety and the environment still extends to the use of these products through explicit instructions on how to use and dispose of them safely. We also offer training on best practices for these products and we have a complete set of safety sheets posted for every product that we make.*

## **READY TO SERVE**

Our RESOLVE SERIES of cleaning solutions is a comprehensive collection of products designed to keep every step of your food preparation, clean-up and processing operations safe, sanitary and ready to use.

Each product is designed to work as efficiently as possible for the problem it solves: Surfactants that remove grease quickly, and dry as you wipe them. Dish cleaners that leave your dishes spotless. Disinfectants that keep surfaces safe and clean.

 Usage: Concentrate

## RESOLVE SERIES

### four

#### flatware + silverware presoak

Four is safe for use on all metals and is highly effective in removing various soil loads and types. Resolve Four delivers sparkling silverware and stainless steel results. Especially formulated to penetrate tough food soil deposits. Resolve Four is also formulated to remove grease from pots and pans without effort.

 **5 GALLON PAIL (5 GAL)**  
SKU: 408005  
Usage: Concentrate

 **GALLONS**  
Pack Size: 4/1 gal  
SKU: 408004  
Form: Liquid  
Usage: Concentrate

### five

#### heavy duty oven cleaner

Five is a fast acting, penetrating and powerful grill and oven cleaner that can be sprayed or brushed on surfaces for rapid, effective and easy cleaning of the toughest baked-on food soils, grease and grime.

 **GALLONS**  
Pack Size: 4/1 gal  
SKU: 402404  
Form: Liquid  
Usage: RTU

 **QUARTS**  
Pack Size: 8/1 quarts  
SKU: 402408  
Usage: RTU

### six

#### clinging oven cleaner

Six is a thick, clinging alkaline liquid formulated to penetrate, loosen and liquefy baked-on food soils, carbon deposits, grease and grime. Six has a thickened formulation that provides longer contact time with soil on vertical surfaces for a more thorough cleaning.

 **QUARTS**  
Pack Size: 8/1 quarts  
SKU: 401608  
Usage: RTU

### seven

#### concentrated pot + dish detergent

Seven is an ultra concentrated, high performance manual warewashing detergent designed for use in industrial and institutional manual warewashing operations. Seven easily breaks down stubborn food soils, grease and oils, leaving dishes, utensils and cookware sparkling clean. The free rinsing, high-active formula produces rich suds which are exceptionally stable, even in the presence of extreme grease loads.

 **250 GALLON (250 GAL)**

SKU: 405205  
Usage: Concentrate
- GALLONS**  
 Pack Size: 4/1 gal  
SKU: 405204  
Form: Liquid  
Usage: Concentrate

### nine no thaw freezer cleaner

Nine is an environmentally safe ready-to-use alkaline cleaner for use in freezers, coolers, cold rooms and other areas with low temperatures. It cleans at sub-freezing temperatures without the need for defrosting. Product is safe on all metals.

- GALLONS**  
 Pack Size: 4/1 gal  
SKU: 403004  
Form: Liquid  
Usage: RTU

### ten high performance clinging gel grill + fryer cleaner

Ten is the most unique powerful and penetrating degreaser ever developed. Its super concentrated blend of alkalinity and lipophilic non-foaming surfactants makes it the most effective product in the marketplace to totally remove the most stubborn and thickest grease/oil deposits from floors, walls and industrial and commercial equipment.

- GALLONS**  
 Pack Size: 4/1 gal  
SKU: 406204  
Form: Gel

### eleven drain + sewer treatment

Eleven digests and degrades a wide range of fats, oils and grease making it possible for other solids to flow through the system. Where other cleaners mask odors our Eleven eliminates them, by digesting the organics that cause them. Eleven is made up of 100% non-pathogenic, beneficial bacteria and organic cleaning compounds, making it non-toxic and safe for the environment.

-  **15 GALLON (15 GAL)**

Usage: RTU

## RESOLVE SERIES

# twelve

destainer + cleaner

Twelve is a powerful alkaline chlorinated warewash destainer and cleaner that safely and rapidly bleaches coffee, tea, and food stains while also removing tenacious adsorbed oils from plastics, china, glass and metal surfaces.

### GALLONS

Pack Size: 4/1 gal  
SKU: 408504  
Form: Liquid  
Usage: Concentrate

### QUARTS

Pack Size: 8/1 quarts  
SKU: 408508  
Usage: RTU

# fourteen

enzyme enriched floor cleaner

Fourteen is a high performance floor cleaner, odor eliminator, and grease digester, recommended for use in commercial food service areas. No rinsing is required. It contains a blend of detergents, emulsifiers, builders, and non-pathogenic bacteria that has been specifically selected to digest complex proteins, starches, and fats. Fourteen's unique bacterial action continues to clean between regularly scheduled cleanings to help keep grease accumulations to a minimum. Fourteen is also particularly effective at cleaning and maintaining recessed areas in flooring surfaces, such as grouting and drain areas.

### GALLONS

Pack Size: 4/1 gal  
SKU: 408104  
Form: Liquid  
Usage: Concentrate

# fifteen

encapsulated machine dish detergent

Fifteen is a premium, encapsulated, heavy-duty, chlorinated dish detergent powder, designed to deliver optimum cost in use across a wide range of water conditions and soil loads. Not for soft or precious metals.

### 9 lb

Pack Size: 4/9 lb  
SKU: 480149  
Form: Granular/Powder  
Usage: Concentrate

# sixteen

concentrated + solid manual pot detergent

Sixteen is a versatile ultra concentrated high sudsing pot and pan solid detergent. It is suitable for manual cleaning of all kitchen utensils. Especially formulated with a superior blend of emulsifiers and wetting agents to cut grease on heavily soiled pots and pans.

### 5 lb

Pack Size: 4/5 lb  
SKU: 480220  
Form: Solid  
Usage: Concentrate

## RESOLVE SERIES

# seventeen

solid machine detergent

Seventeen is a premium phosphate free dish detergent solid in a capsule. It is formulated as a heavy duty combination of alkaline builders, organic polymeric compounds, especially complex hardness ions, soil suspending polyacrylates, and non-foaming detergents.

**6.5 lb**  
 Pack Size: 4/6.5 lb  
 SKU: 484046  
 Form: Solid  
 Usage: Concentrate

# nineteen

machine dish detergent solid

Nineteen is a high performance dish detergent solid in a capsule. It was specifically designed to be safely used on all metals including aluminum and other soft metals. It is formulated as a heavy duty combination of alkaline builders, water conditioners, soil suspending polyacrylates, and non-foaming detergents.

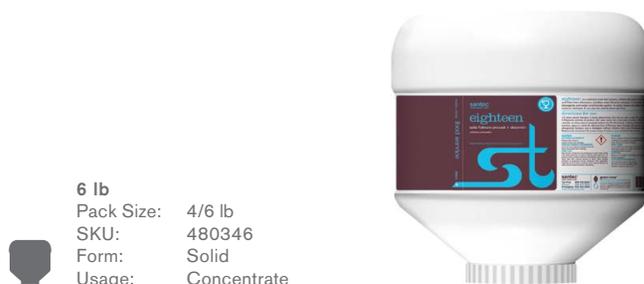

**7.5 lb**  
 Pack Size: 4/7.5 lb  
 SKU: 400030  
 Form: Solid  
 Usage: Concentrate

# eighteen

solid flatware presoak + detarnish

Eighteen is a solid pre-soak that loosens, softens and soaks away food soils and films from silverware, stainless steel, flatware and glass. It contains a blend of detergents and water conditioning agents to safely loosen soil without attacking metal or dishware. It can also be used to detarnish silver.

Usage: Concentrate

## RESOLVE SERIES

# twenty nine

conveyor lube + burnishing compound

Twenty Nine is a dual purpose product. As a conveyor lube it's a concentrated chain lubricant suited for conveyors in all food and beverage processing plants. As a burnishing compound it's very effective in cleaning and burnishing a wide variety of metals while offering some corrosion protection; because of its mild nature it's ideally suited for fine silverware in commercial kitchens.

**GALLONS**  
 Pack Size: 4/1 gal  
 SKU: 430004  
 Form: Liquid  
 Usage: RTU

# thirty

foaming acid cleaner

Thirty is a non-fuming, high foaming acid cleaner formulated to efficiently remove hard water scale and proteinaceous food film from food processing equipment - primarily aluminum, galvanized and stainless steel. It not only cleans the surfaces, it imparts them with a renewed brightness and shine.

**5 GALLON PAIL (5 GAL)**  
 SKU: 400005  
 Usage: Concentrate

# thirty one

waste water neutralizer

Thirty One is a caustic based neutralizer that adjusts the pH of acidic industrial waste water prior to disposal.

**55 GALLON (55 GAL)**  
 SKU: 428455  
 Usage: Concentrate

# thirty two

destainer + cleaner

Thirty Two is a non-abrasive, granular peroxygen based destaining compound that safely removes coffee and coffee oils, tea and food stains from plastics and china; Also removes rancid coffee oils and tannins from aluminum and stainless steel coffee urns.

**6 lb**  
 Pack Size: 4/6 lb  
 SKU: 493045  
 Form: Solid  
 Usage: Concentrate

## RESOLVE SERIES

# thirty three

heavy duty foaming oven cleaner

Thirty Three is a high foam, heavy duty, fast acting, penetrating and clinging industrial aerosol delivered oven cleaner that dwells for a long time on all surfaces making it the first choice for vertical surfaces and heavy encrusted and baked-on foods and carbon stuck to ovens, grills, hoods and drip pans.

 **20 oz**  
Pack Size: 12/20 oz  
SKU: 80824  
Usage: Aerosol

# thirty five

food contact surface sanitizer

Thirty Five is an EPA registered ready to use product for cleaning, deodorizing, sanitizing previously cleaned food contact surfaces. It can be used to sanitize both mobile items such as drinking glasses and dishes as well as immobile items such as countertops and food processing equipment.

 **QUARTS**  
Pack Size: 8/1 quarts  
SKU: 414908

# thirty six

non-caustic, foaming oven cleaner

Thirty Six is a non-caustic degreaser designed for quick removal of greasy deposits and carbonized grease from stainless steel surfaces such as ovens, stove hoods, greasy vents, grills, broilers and deep fat fryers.

 **QUARTS**  
Pack Size: 8/1 quarts  
SKU: 414508  
Usage: RTU

# thirty seven

concentrated pot + dish detergent

Thirty Seven is an unscented ultra concentrated, high performance manual warewashing detergent designed for use in industrial and institutional manual warewashing operations. Thirty Seven easily breaks down stubborn food soils, grease and oils, leaving dishes, utensils and cookware sparkling clean. This product is especially desirable in baking establishments where baking in rubber based baking forms are still common.

 **5 GALLON PAIL (5 GAL)**

Usage: Concentrate

# thirty nine

premium kitchen degreaser

Thirty Nine is a blend of surface active agents, highly effective for the removal of fats, greases, and carbon deposits. This product is also recommended for grills, deep fryers, and undersides of range hoods or canopies where grease and carbon accumulate.

 **GALLONS**  
Pack Size: 4/1 gal  
SKU: 416104  
Form: Liquid  
Usage: Concentrate

# forty

solid rinse additive & drying agent

Forty is a concentrated solid rinse additive/drying agent designed for use in both hot and low temperature dish washing. It provides for rapid rinsing and spot free drying. It's effective in a wide range of water conditions. It's safe on all dish machine surfaces and components.

 **5 lb**  
Pack Size: 4/5 lb  
SKU: 420920  
Form: Liquid  
Usage: Concentrate

# forty one

carbon residue remover

Forty One is formulated to be used in heated soak tanks to remove built-up carbon deposits and baked on fats, oil and grease residues from metal and aluminum equipment. It can be safely used to effortlessly clean pots and pans, baking pans, oven racks, rubber mats, cutting boards, hood filters, stove parts, and more.

 **50 lb**  
Pack Size: 50 lb  
SKU: 422150  
Form: Granular  
Usage: Concentrate

## RESOLVE SERIES

# forty two

fruit + vegetable wash

Forty Two is a fruit and vegetable wash that is formulated to remove pesticides, chemicals, waxes, dirt, fingerprints and other contaminants from the surfaces of fruits and vegetables. Many contaminants such as pesticides and waxes are hydrophobic and insoluble in plain water. The combination of emulsifiers, organic acids and hydrogen peroxide in Forty Two facilitate the removal, suspension and thorough cleaning of these and other contaminants from the surfaces of fresh fruits and vegetables making them 100% safe and edible.

## FUSION SERIES

### amber

#### wood furniture polish

Amber furniture polish is formulated with highly refined solvents, orange and lemon oils, and polishing agents to be especially effective in cleaning, protecting and leaving a lustrous shine on all wood furniture and wood surfaces. Amber removes light scratches and blemishes on natural wood finishes. Amber also removes dust and dustmites making the room cleaner.

#### QUARTS

Pack Size: 8/1 qt  
SKU: 409208  
Form: Liquid  
Usage: RTU

### aqua

#### pearlescent | lotion hand soap

Aqua is a fresh, sea breeze lotion hand soap that effectively removes soils and greases, is mild on the most delicate hands, and generates a soothing and refreshing fragrance while cleaning.

#### GALLONS

Pack Size: 4/1 gal  
SKU: 491004  
Form: Liquid  
Usage: RTU

### auburn

#### wood floor surface cleaner

Auburn is a natural oil based wooden floor and surface cleaner designed to clean and restore finished wood surfaces to their natural shine. It safely cleans finished wood and other household surfaces without leaving a dulling residue. Auburn also works well on painted surfaces, vinyl, ceramic tile and non-wax floors.

#### GALLONS

Pack Size: 4/1 gal  
SKU: 405404  
Form: Liquid  
Usage: Concentrate

### beige

#### emulsion sealer

Beige is a metal cross-linked acrylic floor sealer formulated to provide a superior level base allowing subsequent coats of floor finish to build gloss quicker requiring less floor finish to achieve the desired wet look appearance. Beige is slip-resistant, and may be used with all finishes as an excellent base coat to seal and fill pores. Levels with no streaks or mop trails.

 Usage: RTU

## FUSION SERIES

# denim

## spray buff shine maintainer

Denim is formulated by using a floor finish polymer blended with a high quality detergent for removing scuffs, black heel marks, and scratches without disturbing the finish on the floor. Denim minimizes floor care maintenance expenditures by reducing the cost of stripping, sealing, and refinishing. Spray buffing provides important preventive maintenance when used to restore traffic lanes, to remove scratches, or to add a high gloss to an already waxed or finished floor.

# **built detergents**

# absolute

quality built detergent

Absolute Detergent is an excellent, economical, all purpose powdered laundry compound suitable for industrial and institutional use. It has been specially formulated to perform well in home style or laundromat applications. It contains biodegradable synthetic detergents and a high level of detergent builders, and is equally effective in hard or soft, hot or warm water. It contains soil dispersants and suspending agents to prevent redeposition of soil, and an optical brightener for whiter whites and brighter colors. Its suds profile makes it ideal for top or front loader type machines. Excellent on cotton blends and synthetics.

### hydro

color-safe powdered carbon destainer

Hydro Destainer is a super concentrated powdered oxygen-based laundry destainer. Hydro Destainer may be used on all washable fabrics including colorfast goods. It is recommended for use in large industrial and institutional laundries and especially for continuous batch type washers. Hydro Destainer gives whiter whites and brighter colors while prolonging the life of textiles. Eliminating chlorine bleach from the wash formula reduces linting and reduces loss of tensile strength. Hydro Destainer stops chlorine retention and eliminates the need for Anti-color.

 SKU: 405708  
 Form: Liquid  
 Usage: RTU

# formula 613

powdered laundry stain remover

Formula 613 is a one step stain remover that can be used either to re-claim white linen in the commercial laundry wash wheel or as a pre-soak stain removing activator for difficult-to-remove stains. It'll revitalize your linen and reduce linen replacement costs. When used at a properly controlled rate, Formula 613 does not reduce tensile strength of common fabrics such as cotton, polyester and blends. Formula 613 is not for use on delicate fabrics such as wool and silk.

 Form: Granular/Powder  
 Usage: Concentrate

# formula 747

versatile specialty cleaner laundry pre-spotter

Formula 747 is a 100% active citrus based blend of degreasers and emulsifiers with a remarkable versatility of application. Originally formulated for the laundry industry, use of Formula 747 has rapidly expanded to the food services, transportation, industrial machinery, hotels and motels, and building maintenance industries as well as to sewage treatment and garbage disposal and processing plants. Formula 747 is also environmentally friendly.

 Form: Liquid  
 Usage: RTU

# luminus

laundry whiteness enhancer

Luminus Brightener is a powerful laundry whiteness enhancer. It yields intense white effects on cellulosic fibers, exhausting on them in short wash times even at cold temperatures. It can be used as a fabric brightening booster in conjunction with a conventional detergent. It can also be used to regenerate gray and dulled linen, thus significantly extending their service life.

**5 GALLON PAIL (5 GAL)**  
 SKU: 482205  
 Usage: Concentrate

# substance

concentrated water conditioner

Substance Conditioner is a concentrated water conditioner for institutional laundry applications. It removes minerals from hard water, and improves detergent efficiency. Substance Conditioner contains sequestrants to help eliminate minerals such as iron deposits in the wash wheel. Will also prevent graying of linen and prolong the life of equipment by preventing hard water scale build-up.

# softeners

## LINDEN SERIES | SOFTENERS

### nifty

fabric softener | spring fresh

Nifty Softener is a concentrated liquid fabric softener for application to all fabrics in the final rinse cycle of a laundry machine. Exhibits outstanding softening properties. Contains an effective fabric softener, mild neutralizer, and pleasant "Spring Fresh" perfume. Renders harsh, rough fabrics soft and fluffy in one application. Reduces retained water in the fabric after the spinning or wringer-drying. Reduces friction for faster ironing.

	<b>GALLONS</b> Pack Size: 4/1 gal SKU: 406004 Form: Liquid Usage: Concentrate
