

seven

concentrated pot + dish detergent

resolve series represents a complete kitchen solution. Simple, numerically named, effective dish detergents, degreasers and sanitizers for both manual and automatic cleanup keep your food preparation areas sparkling with minimal effort.

seven is a super concentrated liquid hand dish detergent formulated with a blend of high foaming, biodegradable surfactants plus a foam stabilizing agent and an extremely pleasant fresh odor. It's especially formulated to remove even the most stubborn greases and fats on pots and pans and other food utensils while still gentle on the skin.

FEATURES

- Super concentrated formula with stable, lasting suds allows it to be effective in very high dilutions.
- Synergistic blend of surfactants and solvents enhances ability to readily cut through tough grease and soils.
- All ingredients are biodegradable; contains no phosphates.
- Formula contains no harsh inorganic salts or alkali rendering the product mild to the hands.
- Product leaves a very pleasant uplifting scent in the entire sink area.

OPTIMAL APPLICATIONS

Cafeterias, eating and drinking establishments, nursing homes, hotels, motels, hospitals and schools.

IDEAL FOR

Pots, pans, glassware, kitchenware, stainless steelware, utensils and baking trays.
