TECHNICAL BULLETIN

COLORS OF CLEAN is our line of housekeeping products designed to be easy to use, efficient and safe. From state-of-the-art dispensing solutions to clear, simple color-named packaging, we've created fusion products in ways that make housekeeping a pleasure.

Who says oil and water don't mix? That's precisely what our formulators accomplished to bring you *Silver*, our amazing water-based, oil encapsulated stainless steel cleaner. The oil creates a micro thin protective coating that then repels water (wait how does that work?) and other harmful liquids giving your stainless surfaces a long-lasting gloss. Makes it much easier to clean next time. Also works its magic on regular steel, chrome and other non-porous surfaces too.

Features

- Delivers a one-two-three punch of cleaning, polishing and protecting in one easy operation.
- Ease of Application - Just spray on and wipe with a clean, dry cloth.
- Leaves a mild, pleasant lemon odor lingering behind.
- Residual water-repelling film provides long-lasting protective shield which prevents rusting, corrosion and discoloration.
- Effective on many metal surfaces including stainless steel, chrome, copper and aluminum.
- Contains only environmentally friendly ingredients - no hazardous solvents.

Optimal Applications Stainless steel and aluminum counter tops, tables, refrigerators, fixtures, drinking fountains and doors. Do not use on direct food contact surfaces.

Ideal for Hotels, motels, hospitals, nursing homes, schools, equipment rental/leasing services, non-food contact services in food preparation establishments.

green cove™

BIODEGRADABLE, NON-TOXIC, PHOSPHOROUS FREE

Environmentally Preferred Green Cove

products reflect our commitment to protect the environment, operate in a sustainable fashion and deliver products that make a difference for our planet and our customers every day.

Product Specifications

Physical Description	Clear liquid
Viscosity	Slightly viscous
Color	Water white
Flashpoint	None
Fragrance	Mild Lemon
Weight per Gallon	8.4 lb / gal
pH	6.0 – 8.0
Storage Stability	1 year minimum
D.O.T. Shipping label	None
