express™

alkali builder

linden series | clean, soft, textile care

express is a highly alkaline powdered laundry builder designed for use in all commercial, industrial and institutional laundry washing machines. It provides deep cleaning action on heavily soiled loads and saponifies grease, oil and fats. Express swells linen fibers for easier removal of soils, and is uniquely effective in removing oils from polyester table linens. It will optimize the performance of any detergent.

directions for use

Express is for industrial use only. It should be used in a wash formula specifically designed to meet the needs of your facility. Consult your Santec technical representative for specific use directions.
