thirty nine

premium kitchen degreaser

desengrasante de cocina

resolve series | high-performance food service solutions

thirty nine is a blend of surface active agents, highly effective for the removal of fats, greases, and carbon deposits. This product is also recommended for grills, deep fryers, and undersides of range hoods or canopies where grease and carbon accumulate.

directions for use

Use 1/2 to 2 ounces per gallon of water. For degreasing, use 8 to 10 ounces per gallon of water. This product works best at temperatures ranging from 70° to 160°F. Rinse with water. **Ovens & Equipment:** For first time cleaning of heavy carbon and grease, use as is. Thereafter, use 0.5 to 10 oz./gal. Foaming action resulting from this application method allows product to cling to walls and top side of oven; thus cleaner works better. Can be applied with good results on cold oven when cleaner is allowed to set 15-20 minutes. Heavily encrusted deposits may require a second application. One application will be adequate for periodic cleaning.

WARNING

HAZARD STATEMENTS

May cause eye or skin irritation.

PRECAUTIONARY STATEMENTS

Wear protective gloves and eye protection.

Wash thoroughly after handling.

FIRST AID

Eye Contact: Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention if symptoms persist. Skin Contact: Wash skin with copious amount of water. Seek medical attention if symptoms persist. Inhalation: Remove to fresh air. Seek medical attention if symptoms persist. Ingestion: Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

STORAGE

Store in original container protected from sunlight in a well ventilated area, away from incompatible materials, food and drink. Keep out of reach of children.

SPILL / LEAK

Put on appropriate personal protective equipment. Move container from spill area. Dilute with water and mop up if water soluble or absorb with an inert dry material and place in an appropriate waste disposal container.

DISPOSAL

Dispose of material in accordance with local, state and federal regulations.

HAZARDOUS INGREDIENTS

Sodium Hydroxide (1310-73-2)
Diethylene Glycol Monobutylether (112-34-5)
Nonylphenol Ethoxylate (127087-87-0)
